ABOUT ORGANTO

Organto is an integrated provider of year-round value-added branded organic vegetables and seasonal organic and non-GMO fruit and vegetable products serving a growing socially responsible and health conscious consumer around the globe. Organto has also recently expanded into medicinal cannabis in order to capture expected global growth in this sector and leverage Organto's diverse sourcing, processing, logistics, import, export and organic certification expertise. Driven by consumer demand for healthy and organic food products, its organic foods business operates an integrated business model with sourcing, logistical and processing capabilities, providing complete traceability from the table back to the field. Operations are currently located in Guatemala, The Netherlands and the USA, as well as third-party supply from a variety of regions, with plans to continue to expand supply capabilities via strategic third-party growers and processors in Africa, Mexico and other growing regions. Organto's medicinal cannabis operations were recently established with the acquisition of Medicannabis S.A.S. based in Colombia. Subject to receipt of required licenses which have been applied for, Organto plans to cultivate, process and sell medicinal cannabis initially in the Colombia market. Organto's business model is rooted in its commitment to sustainable business practices focused on environmental responsibility and a commitment to the communities where it operates, its people and its shareholders.
