## NEWS RELEASE

**NOT FOR DISSEMINATION IN THE UNITED STATES OR TO UNITED STATES NEWSWIRE SERVICES**

### **Organto Extends Convertible Debenture Financing**

**Vancouver, BC, Canada, June 5, 2017 – Organto Foods Inc. (TSX-V: OGO, OTC: OGOFF) (“Organto” or “the Company”)** today announced that it has been granted an extension by the TSX Venture Exchange (the “TSX-V”) for the closing of its previously announced convertible debenture financing in the amount of CDN\$2,035,000. The financing is expected to close shortly.

All securities issued pursuant to the financing are expected to be subject to a four month hold period. The convertible debenture financing is subject to the final acceptance of the TSX-V.

For further details please refer to the Company’s news releases dated February 23, 2017 and April 25, 2017.

ON BEHALF OF THE BOARD,

*Arnoud Mass*  
CEO

*Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this news release.*

*This news release may include certain forward-looking information and statements, as defined by law including without limitation Canadian securities laws and the “safe harbor” provisions of the US Private Securities Litigation Reform Act of 1995 (“forward-looking statements”). In particular, and without limitation this news release contains forward-looking*

*statements respecting the company's expected time frame to close a convertible debenture financing; management's beliefs, assumptions and expectations; and general business and economic conditions. Forward-looking statements are based on a number of assumptions that may prove to be incorrect, including without limitation assumptions about the following: the ability to complete the proposed financing at all, or on the terms specified; cost increases; dependence on suppliers, partners and contractual counter-parties; changes in the business or prospects of Organto; unforeseen circumstances; risks associated with the organic produce business generally, including that target production levels will be achieved as forecast, inclement weather, unfavourable growing conditions, low crop yields, variations in crop quality, spoilage, import and export laws and similar risks; transportation costs and risks; general business and economic conditions; and ongoing relations with distributors, customers, employees, suppliers, consultants, contractors, partners and joint venturers. The foregoing list is not exhaustive and Organto undertakes no obligation to update any of the foregoing except as required by law.*
