The balance of 141,660 options will vest over the next twelve months. All of the foregoing options expire on October 10, 2022.

About Organto

Organto is a vertically integrated provider of year-round value-added branded organic produce serving a growing socially responsible and health conscious consumer around the globe. Organto employs a business model that is integrated from the “table to the field”. Driven by consumer demand for healthy and organic food products, it operates an integrated business model with extensive logistical, processing and growing capabilities, providing complete traceability from the table back to the field. Operations are currently located in Guatemala, the Netherlands and the USA, as well as secured third-party supply from Africa and Peru, with plans to continue to expand year-round supply capabilities via strategic third-party growers and processors in Africa, Mexico and other growing regions. Organto’s business model is rooted in its commitment to sustainable business practices focused on environmental responsibility and a commitment to the communities where it operates, its people and its shareholders.

ON BEHALF OF THE BOARD,

Arnoud Maas
